

Bellenden Primary School Accessibility Plan 2017-2018

Bellenden Primary School has been described as having a ‘welcoming and delightfully happy environment in which pupils thrive and want to do their best.’ We want all children to enjoy school, to be challenged to achieve their very best, and to consider their time at the school as their own ‘learning adventure’. We are committed to giving all of our children every opportunity to achieve the highest of standards. We do this by taking account of pupils’ varied life experiences and needs. We offer a broad and balanced curriculum and have high expectations for all children. The achievements, attitudes and well-being of all our children matter.

Purpose of Plan

This plan shows our commitment to providing an accessible environment which values and includes all pupils, staff, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to challenging negative attitudes about disability and accessibility and to developing a culture of awareness, tolerance and inclusion.

Areas of planning responsibilities

Increasing access for disabled pupils to the school curriculum (this includes teaching and learning and the wider curriculum of the school such as participation in after-school clubs, leisure and cultural activities or school visits)

Improving access to the physical environment of schools (this includes improvements to the physical environment of the school and physical aids to access education)

Improving the delivery of written information to disabled pupils (this will include planning to make written information that is normally provided by the school to its pupils available to disabled pupils. The information should take account of pupils' disabilities and pupils' and parents' preferred formats and be made available within a reasonable timeframe)
