Executive Headteacher: Mr Gregory Doey

Head Of School: Ms Julie Ireland

Deputy Head: Miss Mary Kelly

Reedham Street,

Peckham,

London

SE15 4PF

10<sup>th</sup> November 2017

Dear Parent/Carer of: <NAME>

I am writing to make you aware of proposals to improve cycling and walking routes close to our school. Southwark council are consulting on plans to make Bellenden Road safer for pedestrians and cyclists and I know that some parents and carers use this route to bring children to school.

Keeping children safe while they are at school is our highest priority and it's also important that the busy roads around the school are designed so that they are as safe as possible. If the plans go ahead, the council will build wider pavements and install cycle lanes for bikes on parts of Bellenden Road – important for parent with buggies and those children that cycle to school.

You can comment on and support the plans if you wish to by following the link to the Southwark Council website - <https://consultations.southwark.gov.uk/environment-leisure/eastdulwichtopeckham/>

Thank for your continued support.

Kind regards,

Gregory Doey

Executive Headteacher
