25th September, 2017.

Dear Parents/Carers,

We will be having a harvest celebration on Friday 13th October.

Harvest is a time when we are able to be grateful for what we have and to understand that many are not as lucky as we are.

This year we will be collecting food for the Pecan food bank in Peckham.

Pecan is a charitable organisation and the food bank has been supporting families in need since 2009. The Foodbank is a store of non-perishable food donated by the local community. It is available to anyone who has a need, either once or ongoing.

They create a friendly, welcoming place that offers free advice and signposting to other relevant support services. Working with the community, they help their clients tackle long-term issues, as well as the immediate crisis that led them to the food bank.

In the past, you have all been very generous to this good cause. This year, we are hoping to fill two shopping trolleys or more.

Please remember that your donations should be non-perishable; so nothing fresh. Tinned and packets are best. Also remember that personal hygiene articles are very welcome as is baby milk. In fact, anything for babies is welcome.

Thank you in advance for your generosity.

Yours sincerely,

Mary S Kelly
