

Sports premium Funding for 2016 to 2017

Allocation: £9345

| Priorities | | Evidence | Impact | Sustainability for next year |
|--|----------------------------|---|--|---|
| The engagement of all pupils in regular physical activities | After school clubs | Football, netball, basketball, games and gymnastics | The after school clubs are oversubscribed. The children are active participates and well-motivated. This has improved their self-confidence and provides a positive self-image. They are proud of the skills they learn and the levels they can achieve. | Inventory of equipment to ensure that it is kept up-to-date and replaced if necessary. Ask children's opinions of clubs and get suggestions. |
| | Lunchtime sports | Football, netball, basketball, table tennis skipping | | |
| | Lunchtime sports equipment | Skipping ropes, table tennis equipment, various balls, active activity equipment | | |
| Broader experience of a range of sports and activities offered to all pupils | Parkour | Free-running sessions | Instilled pride in those who took part | |
| | Games | Lunch staff teach children different types of playground games | Children know some traditional games and like to demonstrate them to others | Will train children to be play leaders to increase the range of activities at lunchtime. |
| Increased confidence, knowledge and skills of all staff in teaching PE and sport | Bacon's College | The London PE and Sports Network provides CPD opportunities tailored to our school's needs. | Staff demonstrate increased knowledge. Implementation is good. | Will continue to use this facility Investigate physical activity links with literacy and numeracy |

| | | | | |
|---|---------------------|---|---|--|
| Increased participation in competitive sports | Bacon's College | Invested in the London PE and Sports Network. The College has provided the infrastructure for organising our involvement in competitive sport. Bought Youth games T shirts for the participants. | The school has taken part in a great many inter-school competitions in football, netball, basketball. We have great success and the children feel pride in themselves and the school | Will continue to use this facility |
| | Panathlon Challenge | This is particularly for the SEND children. They participate in water sports, athletics, and field games | These children have seen that they can succeed. It has improved their confidence and self-esteem. | Will continue to use this facility |
| The profile of PE and sport being raised across the school as a tool for whole school improvement | | Sports achievements are celebrated in assemblies and we have a cabinet for cups and shields. The school teams are displayed in school. Parents celebrate school achievements. Children are encouraged at all levels to participate in all forms of physical activity | Children share their enthusiasm with others. They discuss, with pride, what they have done and achieved. All children can participate in physical activity whatever the obstacle may be for them. | We will continue celebrating all achievements. |
