Dear Parent/Carer of: <NAME>

RE: PAPERLESS – GOING GREEN

As a school we have a responsibility to educate our children about caring for the world around us and that we practice what we preach!!

We are going to trial becoming paperless in our communications with parents. We will do this through emails and text but shall no longer send out paper copies.

To ensure continued effective communication it is important that we have your up-to-date email address and contact numbers.

Please complete the form below with your email address.

Kind regards,

Emma-Jayne.
