

BREAKFAST AND AFTER SCHOOL CLUB

At Bellenden Breakfast & After School Club, it is our aim to provide a friendly, caring and safe environment in which children are encouraged to develop social, personal, and recreational skills under the supervision of trained and experienced staff.

Our team of experienced Teaching Assistants plan a variety of activities in which your child can choose to participate. These include physical, creative, cultural and imaginative pursuits. These activities will provide a variety of structured and unstructured play opportunities and will take place both indoors and outdoors.

Breakfast Club

The Breakfast Club is situated in the lunch hall. Sessions start from 7.45am.

The children are served a breakfast consisting of a variety of cereals, toast, waffles, scrambled eggs and juices. At the club there is a wide range of activities for children to enjoy. These include: reading, lego, table top games and art.

At 8.50 a.m. the children are escorted onto the playground to join their friends ready for the start of the school day.

After School Club

After School Club starts from 3.30pm and finishes at 6.00pm. We have provision for children from ages 4 to 11. We provide a nutritious healthy snack where the children sit together with staff and enjoy this time to relax after their school day. Snacks include a selection of wraps, pizza, beans on toast sandwiches with a variety of fillings, hotdogs, burgers, pasta, fruits and water.

The After School club provides fun and stimulating care in a safe, familiar, relaxed and friendly environment. Activities are planned with the children to ensure we are following their interests. Please see the schedule below for this term's after school fun!
