## GDPR

### What is the school doing?

Dear Parents and Carers

I am sure you have heard GDPR being used a lot. I am writing to inform you that from the 25th May 2018, new regulations will be introduced which affect how our School handle people's data. This is called the **General Data Protection Regulation** (GDPR). To ensure we comply with the regulations, which is an ongoing process and the School have appointed a Data Protection Officer (DPO) to advise and manage compliance at the school.

Full details of our DPO can be found at <http://bellenden.southwark.sch.uk/> should you have any questions.

**For parents and carers:** We will be publicising policies and procedures and notices that are compliant with the new regulations in the coming months and will keep you informed of any developments. For the time being, your child's data will be handled in the same manner in accordance with legal principles.

In the meantime, we thank you for your patience whilst we take the necessary steps set by the new legislation and guidance with handling data.

Yours Faithfully

*G. Doey*
