Tuesday, 16 October 2018

Dear Parents/Carers,

Remembrance Sunday, which falls on 11 November 2018, is a day for the nation to remember and honour those who have sacrificed themselves to secure and protect our freedom.

The Royal British Legion is a charity which provides lifelong support for the Armed forces community – this includes serving men and women; veterans and their families.

From 29th October- 9th November, members of the school council will be selling Royal legion merchandise: erasers, pencils, rulers, pencil sharpeners and reflectors. The cost of these items is 50p each (apart from the rulers which are £1.00.) We will be selling them on the playground before school (8.30-8.50); at lunch time (12.30-12.45) and after school (3.30-3.45)

We hope that you are able to support this very worthwhile cause.

Yours Sincerely
J. Ireland (Head of School)
