

Hello Beech Class,

I hope you're all keeping safe and are still enjoying your time completing all your home learning activities. Thank you to Eric and Quoyum this week for your lovely letters and drawings! Eric made me laugh with a joke in his letter! Thank you also to Anton for my lovely Easter card! Well done to everyone who has been continuing to complete or attempt the online learning which I have been setting. This week I enjoyed reading about rainbows and policemen and women! I also loved your patchwork animals, very creative! If you haven't completed any of the online learning please ask your adults to help you access it using the important passwords that were in your home learning pack. Also remember that I am assigning you activities weekly that can be completed in your orange books!

Did any of you try one of the Easter Fun activities last week? If not don't worry you can still try them over the next week. Why don't you try one of these fun activities this week?

- Make a spring card and post it to your neighbor to help cheer them up.
- Decorate some biscuits with some icing sugar or left over chocolate from your Easter Eggs.
- Create a fruit face picture in the style of Arcimboldi! 
- Dress up in your best clothes and have a fancy dinner with your family.
- Build a giant fort out of blankets, chairs and pillows and share a story with your family.

This week read or listen to the funny story 'I'm Bored'.
