

Art and DT Picture frame task

Starting secondary school is a time for you to say farewell to current teachers and classmates and hello to many new faces. It is important to cherish your favourite memories. Create a drawing of your special memory and frame it in a photo frame. You may choose to draw a favourite lesson, a funny moment with friends, a school trip, their favourite teacher or a job role you were proud of. You may choose to decorate the photo frame provided or to craft your own using card.

I have also added a link to show you examples.
