

Hello Ash Class,

I hope you're all well and keeping safe. Have you managed to watch one of my YouTube stories that I have shared with you? All of these stories have been emailed to your adults with a link to follow. In your weekly letters to me please let me know which video has been your favourite so far and why, maybe you could send me a story request that you would like me to read to you.

Last week I received some wonderful letters from most of our class and I am so thankful that you have all taken the time to write back to me so please keep sending them weekly as they really do help to spread a little joy when I get to read all about the fabulous things you have been doing while you're at home.

This week I decided to follow some of the fun activities that I sent you last week. This week I made some delicious cookies following the recipe I sent you and shared them with my family with a nice, hot cup of tea. Here's a few pictures of the cookies I made. I also followed one of the cosmic yoga videos in the morning and this helped me to feel full of energy and ready to start my day. I would love for you to send me pictures of you and your family completing the fun activities which I have been setting and to show send me any other fun activities that you have completed.

Please remember to complete your weekly online learning or paper workbook to help keep your brain healthy and active. I'd also be very thankful if your parents could take pictures of your work and email it to the email below for me to see.

Make sure you say it's for Miss Davis -Year 2 in the email. [office@bellenden.southwark.sch.uk](mailto:office@bellenden.southwark.sch.uk)

Why don't you try one of these fun activities this week?

- Have a housebound family treasure hunt - create a map of your house and hide delicious treats for you and your family to find.

- Make your own rice krispie cakes - here's a nice recipe to follow.

- Have an indoor fashion show - Get your favourite clothes or fancy dress clothes and strike a pose!

- Complete a yoga session with your family <https://www.youtube.com/user/CosmicKidsYoga>

Read or listen to one of my favourite stories 'Chicken Clicking' By Jeanne Willis and Tony Ross.

Design an online safety leaflet for chick to follow - Think about all the things we spoke about during our computing lessons on how to stay safe.

Create a new friend poster for Chick - describe what characteristics you would look for in a new friend (e.g. someone who is kind, someone who will help me to be joyful etc.).

Keep safe and we will see each other again soon,

Miss Davis
