

Friday 15th May 2020

Hello Ash Class,

I hope you're all well and keeping safe. Have you managed to watch one of my YouTube stories that I have shared with you? All of these stories have been emailed to your adults with a link to follow. In your weekly letters to me please let me know which video has been your favourite so far and why, which story would you like to see/hear me reading? Write your request in your weekly letter to me.

Last week I received lots of amazing letters and pictures telling me and showing me all of the fantastic learning and activities which you have been doing at home, so well done to you all as you're doing amazingly well with the change in the way we learn and communicate. Please ask your adults to send me some pictures of you all completing any of the activities at home.

This week it was lovely speaking to some of you on the telephone and hearing about all the wonderful things you have been doing as well as all the thankful wishes you sent me for sharing stories with you so this week I will try my best to send you a new video of me sharing a story for you to watch. This week I have continued to follow Cosmic Yoga daily and this helped me to feel full of energy and ready to start my day.

Please remember to complete your weekly online learning or paper workbook to help keep your brain healthy and active. I'd also be very thankful if your parents could take pictures of your work and email it to the email below for me to see.

Make sure you say it's for Miss Davis -Year 2 in the email. office@bellenden.southwark.sch.uk

Why don't you try one of these fun activities this week?

- Create your own shaving foam painting. Follow the link to help you.

<https://www.youtube.com/watch?v=65e5hKRPEnA>

- Make your own painted toast to eat. For this you will need a small amount of milk and different food colours - carefully mix the food colours and milk and then paint it on your toast. Once you've done this cook your toast like normal.

- Take a family picture or selfie and create your own lollipop frame to put it in.

- Complete a yoga session with your family <https://www.youtube.com/user/CosmicKidsYoga>

Read or listen to one of my favourite stories 'The way back home' By Oliver Jeffers.

<https://www.youtube.com/watch?v=RbyUrbOX5iU>

Imagine that you found an aeroplane in your cupboard. What would you do? Design an areophane for a new adventure for you and a friend. Where would you go on your adventure and why?

Write a letter / postcard from the alien to the boy. What might the alien say to the boy? Would he like to visit Earth to see him?

Keep safe and we will see each other again soon,

Miss Davis
