Hello Beech Class,

I hope you're all well and keeping safe. Have you managed to watch one of my YouTube stories that I have shared with you? There should have been 3 so far. Which story did you like best? I'm going to film another one for you this weekend!

Last week I still only received a small amount of letters from you all. Thank you so much to those of you that wrote me a letter! It makes me so happy to read them. 😊

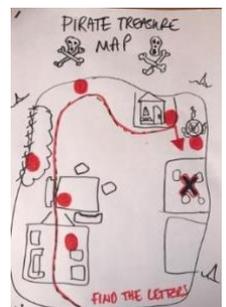

Did you take part in any of the fun activities I suggested last week? I have been doing some exercising indoors and I followed one of the cosmic yoga videos in the morning and this helped me to feel full of energy and ready to start my day. I would love for you to send me pictures of you and your family completing the fun activities which I have been setting and to show send me any other fun activities that you have completed.

Please remember to complete your weekly online learning or paper workbook to help keep your brain healthy and active. I'd also be very thankful if your parents could take pictures of your work and email it to the email below for me to see. It has been great seeing the fantastic work some of you have been doing! I have been so impressed!

Make sure you say it's for Miss McDonnell -Year 1 in the email.

Why don't you try one of these fun activities this week?

- Have a housebound family treasure hunt - create a map of your house and hide delicious treats for you and your family to find.

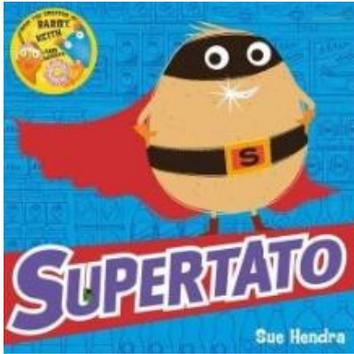

- Make your own rice krispie cakes - here's a nice recipe to follow.

Design your own potato superhero by drawing a picture, then use a potato to create your own! Maybe you could make a Supercarrot! (Always ask an adult first)

Draw and label all of the vegetables that you know

Keep safe and we will see each other again soon,

Miss McDonnell

P.S A BIG Happy Birthday
to Anton who is 6
tomorrow!

Have a lovely day!
