

Friday 12<sup>th</sup> June 2020

Hello Ash Class,

How has your week been? This week I have been out cycling around Burgess Park and it has been lovely to see so many familiar faces out completing their daily exercises, it has been lovely bumping into some of you and your families while I've been cycling. I also spotted some cute, quacking ducks on my cycling route.

What exercises have you been doing to help you keep fit and healthy?

Have you visited your local park?

Thank you to all of you who have replied to my letter and have sent in some wonderful pictures of you and your family. It has been lovely to see how well you're all looking and how grown up you all look! Please continue to reply to my letters and feel free to ask me some questions to find out about what I have been doing. You can also send in some pictures of yourself and your family completing some of the online learning or fun activities that I have been setting. If you could also have a try at completing your online learning tasks that would be brilliant as I can see who has been completing them and who has not.

This week I received a wonderful gift from my cousin to help me stay healthy and to boost my wellbeing during this time. Here's a picture of the gifts that I received from my cousin.

Have you received anything nice in the post during this time that has helped to cheer you up?

Friday 12<sup>th</sup> June 2020

Did you take part in any of the fun activities that I suggested last week?

This week I created the 'Balloon Tennis' rackets and posted them to my niece and nephew to play with so I hope they enjoyed them!

Have you completed any of your own fun activities? If so please share them with me so we can share your other ideas with the rest of our class.

Please remember to complete your weekly online learning or paper workbook to help keep your brain healthy and active. Maybe you could share all your wonderful work with me by asking your adults to email me some pictures of you completing it. **Make sure you say it is for Miss Davis -Year 2 in the email. [office@bellenden.southwark.sch.uk](mailto:office@bellenden.southwark.sch.uk)**

Why don't you try one of these **fun** activities this week?

- Experiment with leaf threading.

<https://kidscraftroom.com/all-natural-leaf-threading/>

- Create your own Jellyfish
- Create your own tissue box monster.

<https://www.thebestideasforkids.com/tissue-box-monsters/>

- Make your own marble run - how will you join all the parts together
- Write a letter to a friend that you have been missing and send me a picture of it so I can forward it them.

Friday 12<sup>th</sup> June 2020

Read or listen to the story 'A Lion Inside' By Rachel Bright.

There is a classic version of the story which can be found here :

<https://www.youtube.com/watch?v=ivQVms-racQ>

Or there is this fabulous, catchy rap version which I really like.

<https://www.youtube.com/watch?v=O7D2nASjCwU>

Maybe you could listen to both versions and see which one you prefer.

- Think of words / phrases to describe the mouse, the lion and the settings in this story. Look through the text to find words and phrases that the author uses.
- Find examples of rhyming words throughout the book and use them to create your own rhyming dictionary.
- Retell the story from the mouse's point of view.
- The mouse wants to be able to roar like a lion. Make a list of words that describe the sounds that different animals make.
- Create a set of instructions to teach the mouse how to roar.

Keep safe and we will see each other again soon,

Miss Davis
