

Friday 5th June 2020

Hello Ash Class,

How has your week been? This week I have been out cycling down by the River Thames to continue my daily exercise. What exercises have you been doing to help you keep fit and healthy?

Thank you to all of you who have replied to my letter and have sent in some wonderful pictures of you and your family. It has been lovely to see how well you're all looking and how grown up you all look! Please continue to reply to my letters and feel free to ask me some questions to find out about what I have been doing. You can also send in some pictures of yourself and your family completing some of the online learning or fun activities that I have been setting. If you could also have a try at completing your online learning tasks that would be brilliant as I can see who has been completing them and who has not.

Here's another picture of me out on a bike ride one evening this week down by the River Thames. 😊

Today I have been able to see Miss Pat quickly in school, so we thought we would send you a picture of us together (social distancing) as we are missing you all very much and can't wait until we can see you all again very soon.

Friday 5th June 2020

Did you take part in any of the fun activities that I suggested last week?

This week I printed off the selfie I took of me and my family and put it in a picture frame and gave it to my mum as a gift to spread a little joy.

Have you completed any of your own fun activities? If so please share them with me.

Please remember to complete your weekly online learning or paper workbook to help keep your brain healthy and active. Maybe you could share all your wonderful work with me by asking your adults to email me some pictures of you completing it. **Make sure you say it is for Miss Davis -Year 2 in the email. office@bellenden.southwark.sch.uk**

Why don't you try one of these fun activities this week?

- Experiment With Rainbow Colored Flowers & Celery

<http://www.teaching-tiny-tots.com/toddler-science-celery-experiment.html>

- Get Messy With Some Splatter Painting.

<https://www.hellowonderful.co/post/balloon-splatter-painting-with-tools-fun-outdoor-art-project-for-kids/>

- Build DIY Paper Kites

<https://www.youtube.com/watch?v=Jzh-RhKQ4Pc>

- Play a fun family game of balloon tennis.

The Tiger Who Came to Tea

Judith Kerr

Read or listen to another one of my favourite stories 'The Tiger who came to tea' By Judith Kerr.

<https://www.youtube.com/watch?v=BXqW9UCgpc8>

- Imagine if a different animal came to tea. How would they behave? Could you write a story about this?
- The author uses the words 'big', 'furry' and 'stripy' to describe the tiger. Can you think of any more adjectives?
- Find out what tigers like to eat. Can you create a food chain that includes a tiger?

- Look at the tiger's stripes. Find out what camouflage is and how it helps tigers. Can you find out how other animals use camouflage to help them?

- Make a menu of tasty food that Sophie's family can choose from at the cafe.

Here's the message from all of the staff from Bellenden that we sent last week.

We hope you enjoy the video. <https://vimeo.com/424713204>

Keep safe and we will see each other again soon,

Miss Davis
