

Monday 1st June 2020

Hello Ash Class,

It feels like ages since I have spoken or heard from you all! I hope you have all had an amazing weeks break from school work and that you were able to give your brains a rest and enjoy some outside activities with your families. During my week off, I went for a walk and a delicious picnic with my family to our local park. I also got my bike fixed so I have been able to go for nice bike rides as my daily exercise. What did you do during your week off?

Here is a picture of me on my bike ☺

Today I have been able to see Miss Pat quickly in school, so we thought we would send you a picture of us together (social distancing) as we are missing you all very much and can't wait until we can see you all again very soon.

I would be very thankful if you could start to write me a weekly letter again so I can keep up to date with all the wonderful things that you have been doing while learning from home. You can also send in some pictures of yourself and your family completing some of the online learning or fun activities that I have been setting.

Monday 1st June 2020

Did you take part in any of the fun activities that I suggested before our week off? I made my own painted toast for breakfast, which was delicious and I took a family selfie to remind me of how well we have managed together as a family during this difficult time. Have you completed any of your own fun activities? If so please share them with me.

Please remember to complete your weekly online learning or paper workbook to help keep your brain healthy and active. Maybe you could share all your wonderful work with me by asking your adults to email me some pictures of you completing it. **Make sure you say it is for Miss Davis -Year 2 in the email. office@bellenden.southwark.sch.uk**

Why don't you try one of these **fun** activities this week?

- Visit London Zoo Virtually - can you create a poster for one of the animals?

<https://www.zsl.org/zsl-london-zoo/virtual-london-zoo>

- Watch Space X Falcon 9 taking off!

<https://www.youtube.com/watch?v=TxBj8R7XKe4>

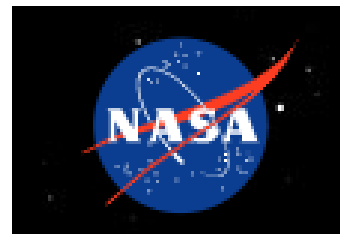

- Explore the Kids NASA page.

<https://www.nasa.gov/kidsclub/index.html>

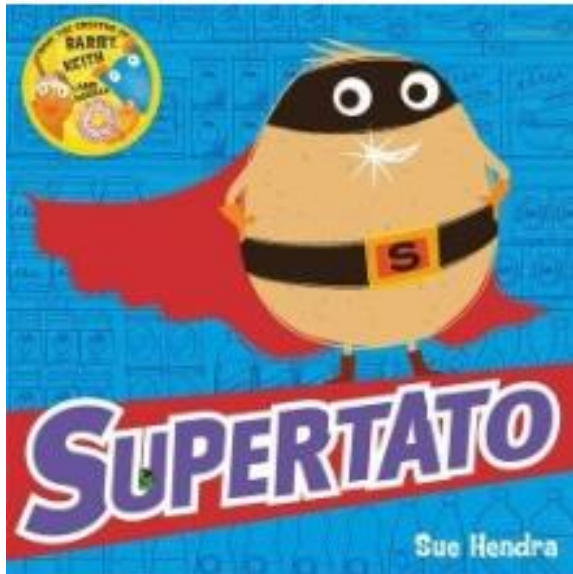

- Create your own space shuttle using a toilet roll tube.

<https://www.youtube.com/watch?v=KJqCU55ui2g>

-Today is 'Global day of Parents'. Why don't you make your parent/s a card to say thank you for all that they do!

Monday 1st June 2020

Read or listen to one of my favourite stories 'Supertato' By Sue Hendra.

<https://www.youtube.com/watch?v=rze89HB9u8g>

Create a story that explains where Supertato came from.

Created a wanted poster for the evil pea.

Write a newspaper report about the incidents that took place at the supermarket.

Create a character profile for Supertato. What special powers does he have? What is his personality like?

All the staff from Bellenden this week decided to share a message with you all which you can find on the school website or by following this link. We hope you enjoy the video. <https://vimeo.com/424713204>

Keep safe and we will see each other again soon,

Miss Davis
