

Friday 26th June 2020

Hello Ash Class,

It was lovely speaking to some of you on the telephone last week. It would seem that a lot of you are making wonderful memories with your families while you're at home.

How has your week been? This week I have been busy working in school and I can say it doesn't seem the same without having you all in my class! Again I have been out on my bike cycling through the busy streets of Southwark and our lovely parks. If you spot me out on a bike ride be sure to stop me and take a picture of us both together so we can send it to all of our friends in our class! I have also taken my friends dog out for another walk and I can honestly say I think she is the cutest dog in the whole, wide world! Do you have any pets? If so what are they and what are they called?

Thank you to all of you who have replied to my letter and have sent in some wonderful pictures of you and your family. It has been lovely to see how well you're all looking and how grown up you all look! Please continue to reply to my letters and feel free to ask me some questions to find out about what I have been doing. You can also send in some pictures of yourself and your family completing some of the online learning or fun activities that I have been setting. If you could also have a try at completing your online learning tasks that would be brilliant as I can see who has been completing them and who has not.

This weekend we held a virtual dinner party with all of our family which was great fun! In order to be part of the dinner party you had to dress to impress. Why don't you host a dinner party for you and your family? You could wear your favourite outfits and send me a picture. I can't wait to see your pictures.

Friday 26th June 2020

Did you take part in any of the fun activities that I suggested last week?

This week I popped over to B&Q on the Old Kent Road and purchased some lovely herbs to grow in my garden. Hopefully they will continue to grow and I can start to use them in my cooking to help make my food taste delicious. Have you cooked any delicious meals at home with your family?

Please remember to complete your weekly online learning or paper workbook to help keep your brain healthy and active. Maybe you could share all your wonderful work with me by asking your adults to email me some pictures of you completing it. **Make sure you say it is for Miss Davis -Year 2 in the email. office@bellenden.southwark.sch.uk**

Why don't you try one of these **fun** activities this week?

- **Create a rainforest habitat in a shoebox and send me a picture of you and your habitat.**

<https://www.3dgeography.co.uk/rainforest-dioramas>

- Create a papermache piece of artwork.

<https://www.bbcgoodfood.com/howto/guide/how-make-paper-mache>

- Make a delicious homemade pizza's with veggie faces.

<https://www.bbcgoodfood.com/recipes/toddler-recipe-easy-homemade-pizza-veggie-faces>

- **Please write a letter or a postcard to a friend that you have been missing and send me a picture of it so I can forward it them.**

Read or listen to the story 'The Ugly Five' By Julia Donaldson and Axel Scheffler.

There is a version of the story which can be found here :

<https://www.youtube.com/watch?v=sitoCZ6dsOk>

- Find all of the rhyming words in the book. Can you make your own rhyming dictionary using some of the words?
- Choose a selection of words in the story (e.g. glorious, cool, divine) and think of synonyms.
- Imagine that the title of the book was 'The Ugly Six'. Make another page based on a sixth member of the group.
- Choose one of the animals in the story and write a detailed description of it.

Keep safe and we will see each other again soon,

Miss Davis
