Hello Beech Class,

I hope you had a lovely break from school work this week and enjoyed your half term. I hope you managed to enjoy some sunshine and give your brains a well earned rest!

I had a fantastic birthday, thank you so much to the children who made me a birthday card and sent me birthday wishes!

Here is a photo of my birthday cake and cupcakes!

Here is a photo of my balloons:

I had a fantastic birthday and had a picnic with my household.

Did you take part in any of the fun activities I suggested before half term?

Please remember to complete this weeks weekly online learning or paper workbook to help keep your brain healthy and active. Some of you may be coming back to school soon but for those of you that aren't, I will still need you to complete your learning activities at home!

I thought it might be nice, for when schools do reopen and everyone is happily back, that we could create a Beech Class display to show that even though we still aren't all together, we are all still working hard and trying to be our best selves, working hard even when apart. With that in mind, I would love for as many of you as possible to take a photo of yourself doing your home learning and activities to send me by email, proudly showing work/activities! Perhaps you would like to draw or paint a picture, use construction blocks, playdough or junk modelling? With your grown-ups permission, I will also put your photos onto the school website so you can view everyone's work and see each other's faces before we get back to school.

Make sure you say it's for Miss McDonnell -Year 1 in the email.
