

Monday 8th June, 2020

Hello Beech Class,

I hope you had a great time learning all about dinosaurs with last week's home learning! I look forward to seeing the work you have been doing. Thank you so much to the children who have sent me photos of you doing your home learning, it makes me so happy seeing you hard at work. Please keep send me these if you haven't so I can have your lovely faces on our class display!

Did you take part in any of the fun activities I suggested last week?

Please remember to complete this week's weekly online learning or paper workbook. Some of you may be coming back to school so won't need to complete those but for those of you that aren't, I will still need you to complete your learning activities at home! It is important to keep your brain healthy and active ready to come back to school!

Lots of you have been sending me a reply to my letters since we have been off which has been fantastic. If you are not coming back to school yet, please could you write me a reply this week especially if you haven't yet. All you have to do is write a reply in your orange workbook or on some paper and ask your adult to take a photo of it and email it to me!

Make sure you say it's for Miss McDonnell -Year 1 in the email.

office@bellenden.southwark.sch.uk

This week I would also like you to write a letter to a friend in your class who you have really missed. If you email it to me, I will make sure that your friend gets a copy of it! Imagine how happy your friend would be! 😊

Have a fantastic week Beech Class!

From Miss McDonnell
