

Monday 15th June, 2020

Hello Beech Class,

I hope you are all keeping well at home.

Please remember to complete this week's weekly online learning or paper workbook if you have not come back to school yet. I will still need you to complete your learning activities at home! It is important to keep your brain healthy and active ready to come back to school!

This week to those of you that haven't, I would like you to write a letter to a friend in your class who you have really missed. If you email it to me, I will make sure that your friend gets a copy of it! 😊

Have a fantastic week Beech Class!

From Miss McDonnell
