Dear parent/carer of:

Re: changes to data protection law

You may be aware that from May, the rules around data protection are changing. The 'General Data Protection Regulation' (GDPR) will change how we can use your personal data and keep it safe and will also strengthen your rights over your own data.

The point of this is to make sure sensitive or private information about yourselves and your children stays safe. Whilst it is similar to the current Data Protection Act in many ways, there are a few differences, so we need to make a few changes at the school in order to ensure we remain compliant.

Consent for taking and using Photographs

As part of our work to comply with the GDPR, we are also re-seeking consent for using photographs or videos of your child on our website, internal displays or other school materials

We have enclosed this form and would appreciate it if you filled this out and returned it to the school office as soon as possible.

If you have any questions about how the GDPR affects you, or how our school is preparing, you can contact us via the school office.

Yours faithfully,

C. Caires

PARENT'S CONSENT FOR PUBLICATIONS OF PHOTOGRAPHS AND VIDEOS

Child's name:

Date:

Dear Parent/Carer,

We sometimes take photographs of pupils and their work. We use these photos in the school's prospectus, and on display boards around school. We may also use these photos on the school's website and Instagram account. We also sometimes make video recordings of pupils at special events, assemblies and as part of their lesson activities.

We would like your consent to take photos and videos of your child and use them in the ways described above. If you're not happy for us to do this, that's no problem – we will accommodate your preferences.

If you change your mind at any time, you can let us know by contacting the school office.

Why are we asking for your consent again?

You may be aware that there are new data protection rules coming in from May as part of the General Data Protection Regulation (GDPR). To ensure we are meeting the new requirements, we need to re-seek your consent to take and use photos of your child.

We really value using photos of pupils, to be able to showcase what pupils do in school and show what life at our school is like to others, so we would appreciate you taking the time to give consent again.

Thank you for your co-operation
