Dear Parents and Carers,

RECEPTION PARENT AND CHILD FOREST SCHOOL MORNING

On Friday **12th October** (please note the date has changed since the school newsletter was sent out) we have planned a trip to Peckham Rye for children and parents to take part in some autumn forest school activities. We will be looking at the different colours of autumn and collecting leaves to bring back to school to make a display.

We would really like as many parents as possible to come and join us. It is a great opportunity for you to come and join in with the children's learning.

We will be leaving at 9 o'clock and returning at about 11.15, in time for lunch. Please could you make sure the children wear shoes and coats that are suitable for the park on that day.

Could you let us know if you think you will be joining us? (Please tick)

Best wishes

Reception Team

I **will be** coming to Peckham Rye.

I **will not** be coming to Peckham Rye.
