Dear Parents/ Carers

As part of an initiative on hunger, Bellenden School, along with WE day London, would like to collect food and toiletries for the families in our community who are struggling to make ends meet.

It is our intention to continue collecting food and toiletries throughout the year by placing one of the Pecan wire collection baskets near the front office. If, when you are shopping, you happen to buy a little extra to support our neighbours, then please pop it in the basket.

If you would like to know more about this initiative, then please contact Megan Anderson or Savina Abbott via the school office.

Look out for news about our 2 mile sponsored walk where we hope to raise money for WE day and Water Aid. Miss Megan will provide details nearer the time.

Bellenden School is well known at Pecan Food Bank and they thank us for our continued support and generosity.

Yours Sincerely,

Alex Turnbull

Deputy Head Teacher
