Tuesday 10th September

Dear Parents and Guardians,

On Wednesday 30th October, Year 5 are going to visit the Museum of London to enrich our understanding of what it was like to be in London during World War 2, and live through the Blitz. It promises to be an immensely exciting experience.

However, as the Museum of London has a 6:1 ratio of children to adults, we need two parents to come with us to make sure we have enough adults. Would you be willing to come and support the visit? If you are free on the 30th October, and would be willing to help, please let the office know. Thank you!

Yours sincerely,

Mr Solnick
