Bellenden Music Tuition

Bellenden Primary School will be continuing our music journey. Our pupils will not only get the opportunity to learn piano in an individual lesson format, but individual Drum Kit lessons are also now available. The lessons will be taught by the head of music or a specialist teacher and is tailored specifically to the ability of each child.

Music Tuition terms will run for 10 weeks in each term. Each lesson will be a 1 to 1 session with the sessions tailored to each individual. All sessions will be 30mins and delivered on a Friday afternoon. Session times will differ each week between 1:00 – 3:30. The timetable rotates to ensure that children don't repeatedly miss the same subject every week.

Individual Sessions

Each lesson will be different depending on the child being taught. Each lesson will be tailored to each child's learning. There will be no timescale to achieve tasks only a platform to learn at a pace which is comfortable for each individual. The tuition sessions will be teaching the pupils piano/ drum kit practical skills as well as theory. Some sessions will be heavily theory based with some being heavily practical based this is to help strike a balance in each child's learning allowing us to target areas they maybe finding difficult or to further strengthen areas they are excelling in. All children will be able to access graded material once they are ready. We encourage all children to work towards completing grade exams however this is not compulsory as we also understand that some children just want to learn the skills whilst exploring all aspects of their instrument purely for enjoyment purposes.

Yours sincerely
