

Bellenden Music School

C/O Bellenden Primary School

Dewar Street

London

SE15 4JP

Bellenden Music School has been running for 7 years and in that time it has grown from its early days, however the core values remain the same

- Provide access to affordable music
- Allow pupils regardless of ability to partake in music / to learn an instrument
- Make learning music fun, enjoyable experience

This Saturday 5th October we are opening our doors to anyone who wants to see first-hand what we offer by giving a taster day at £5 (less than half the normal weekly fee)

What do we offer

- Keyboards
- Clarinet
- Guitar
- Recorder
- Steel Pans
- Percussion
- Vocal Lesson

As well as the above reasons for starting the music school there are also some additional and equally important benefits.

Children who learn to play an instrument generally perform better in their studies. This is in part due to the need to concentrate as well as the way our brain develops.

Just as importantly, there is the social aspect which is not to be underestimated. Children who are able to engage socially with friends who share the same interests will also do well.

If you feel you would like your child to try a full session at Bellenden Music School the why not come along on Saturday 5th October for the taster day 9:30 a.m. -12:30p.m. here at Bellenden Primary School, Dewar Street, SE15 4JP

Bring form with you on the day

I would like my child _____ to attend the Bellenden Music School taster session on Saturday 5th October

My name is _____ Relationship _____

Contact number _____

Centre Head: Mr. Stevan Borthwick
