Dear Parents and Carers,

RE: Topic Immersion Day Thursday 16th January 2020.

Our Topic this half term is Ancient Egypt and we are excited to be holding a 'Topic Immersion Day' where the children will be completing all things Egyptian: designing their own cartouche, cracking hieroglyphic codes, role playing members of Egyptian society and much more.

We will be conducting this WOW day, with our Year 5 partner group from Pilgrim's Way, at Bellenden on **Thursday 16th January.**

In order to help the activities come to life, it would be great if the children could come to school in Egyptian-themed fancy dress. Here are some ideas below:

1. Egyptian slave
2. Embalmer
3. Scribe
4. Pharaoh
5. Merchant

Use the Internet to research what your chosen character would have looked like during the Egyptian times. Try and be as creative as you can! You could recycle materials from over the Christmas holidays to create your costumes.

We look forward to seeing the children in their fancy dress on **Thursday 16th January!** Once again, thank you for your continued support.

Yours sincerely,
Josh Solnick and Rachel Malone

Year 5 teachers.
