A little hope makes a big difference.

War has forced Omar and his mother to leave their home in Afghanistan and venture across the sea to Europe. When their boat sinks, and Omar finds himself alone, with no hope of rescue, it seems as if his story has come to an end.

But it is only just beginning...

A stunning new story of hope, humanity and high-seas adventure from master storyteller Michael Morpurgo.

Life was better in the old days. Or was it?

That's the question Greg Heffley is asking himself as his town voluntarily unplugs and goes electronics-free. But modern life has its conveniences, and Greg isn't cut out for an old-fashioned world.

With tension building inside and outside the Heffley home, will Greg find a way to survive? Or is going "old school" just too hard for a kid like Greg?
