Dear Parent/Carer

Re: PSHE parent workshop

Thank you to those parents that attended our PSHE workshop this morning. There was a good turnout.

We will again be running the same, 'Personal, Social, Health and Economic Education workshop'. This workshop will explain the changes within the curriculum subject, looking at the changes in the subject including sex and relationship education, mental health and other national issues.

This will take place at **3.40pm** on **Wednesday 11th March** in the spare reception class on the ground floor.

We will provide coffee, tea and biscuits and we look forward to seeing you there.

Thank you in advance,

Yours sincerely,

A Turnbull

**Mrs Turnbull
Deputy Headteacher**
