Dear Parent/Carer,

We have been so pleased to be able to welcome back Year 6 pupils this week and whilst it most definitely is not school as we know it the children have adapted well to the new systems that we have put in place.

We are now in a position to be able to welcome Year 1 children back to school from Monday the 8th of June.

It is important to note that this will be for reduced hours and there will be staggered starts and endings to the school day.

Mrs. Ireland will be in touch to give you the timings for your child and who their teacher will be.

We have been really touched by all the messages of support that we have received from many parents and we would like to wish you and all your families our very best wishes and we can't wait for the time when all children can return to school.

Kind regards,

Gregory Doey

Executive Headteacher
