Dear Parent/Carer,

According to government guidance, in the case of any future local or school lockdown, we are required to provide all children with the same level of high-quality education as usual.

In order to provide this, we have chosen to use Google Classroom as a platform for children to access their learning.

As such, we kindly ask you to complete the survey below to let us know what devices and access to the internet you have at home. This will enable us to provide your child with the best possible education in the event of any further closures.
