Key admission dates

Admission dates are important deadlines that you'll need to keep in mind. If you miss these secondary admission dates, your chances of being offered a place at a preferred school will be reduced.

Tuesday 1 September 2020 - The admissions process begins and you'll be able to apply online using the [eAdmissions](#) website.

Saturday 31 October 2020 at 11.59pm - This is the closing date for submitting your online application. You must ensure we've received your online application, and you have uploaded any additional supporting information by this date and time. We strongly recommend that you submit your application by **Friday 23 October 2020** so that we receive it before the half term holiday and can contact you if necessary.

Monday 1 March 2021 - If you've applied on time, you'll receive an email after 5pm which will provide information on what to do next. You'll also be able to view the outcome of your application in the evening on the [eAdmissions](#) website.

Monday 15 March 2021 - No action is required if you want to accept the school offered to your child.

To reject the offer of a school place allocated to your child, you must notify the school admissions team by [email](#) and include your unique application reference number by this date.
