Dear Parent/Carer

As of 5th October, Southwark have not received your submitted application. This may be because you live out of the borough and are applying to your own borough or if your child has an EHCP.

If this is the case, please still ensure you complete your application by the deadline, 31st October 2020.

As the deadline is during the half term, we cannot stress how important it is to get your application in on time in order for you to get one of your preferred choices.

We will be assisting parents that need help on **Friday 16th October** from 10am until 11.30am.

Due to restrictions, we will only have the use of two computers and parents will need to book.

It is important that you know the schools you would like to put down prior to receiving help. You will also need to obtain your user and password. If you **do not** have these, you will need to call: **0208 255 5555 (option 1)** and obtain these before we can assist you.

If you require our help, you will need to email egreen@bellenden.southwark.sch.uk as soon as possible or call the school office and let one of the office team know so that we can organise the timings.

Kind regards
Emma-Jayne
