2nd November 2020,

Dear Parent/Carer,

I was so pleased that so many of our pupils returned to school today in spite of what is a very unsettling time for everyone as we once more find ourselves having to lockdown this coming Thursday.

School will remain open and breakfast club and after school club will run as normal.

As you are now aware we have worked very hard to ensure that school is safe and yet as normal an experience for the children as we can possibly make it.

To ensure that this continues and that the whole community feels safe and that school does remain open I would request that parents please adhere to the following guidance:

- Please stick rigidly to drop off and collection times for your child
- Once children are dropped off and collected can parents please leave immediately
- Only 1 adult should be dropping off and collecting children
- Please make a telephone call to school if you wish to speak to a teacher and they will return your call as soon as they can
- Only 1 adult in the school reception area at any one time

We really appreciate your understanding in these matters.

This term we would have been having our annual parents' evening which is so important for your child's development however as you will understand such events are not possible this year. Teachers will be completing a short interim report which will list a target for reading and maths and a general comment. These will be emailed to parents in the coming weeks. If you want to discuss these further with your child/ren's teacher please do telephone to make an appointment where the report can be discussed over the telephone.

Please do not hesitate to get in touch if you have any questions about any of the above.

I hope that you and your loved ones continue to stay safe and I thank you for your continued support.

Kind regards,

Gregory Doey

Executive Headteacher
