9th December 2020

Dear Parents/Carers,

Extended Government funding for food vouchers during the Christmas school closure period.

With the Christmas holidays getting closer and the impact of the pandemic and second lockdown leading to more and more families facing hardship, Southwark Council are extending the FSM voucher offer to all parents who wish to take up the offer.

Southwark Council are committed to supporting all pupils in line with the council's FHSNM pledge and will be using the Winter Grant funding to provide meals to all families who make a request.

We understand that some families will say that they do not want or need the support over the Christmas period, so we are requesting that parents of primary or nursery children to email the school office, if they would like to receive a voucher to cover the two week holiday period.

Each voucher will be credited with £15 per week.

If you would like to take up this offer, please email your details to the admin email address by **Friday 11th December 2020**. Please use FHSNM VOUCHER in the email subject heading and include the following information:

Name of child:

Class:

Name of parent requesting the offer:

If you have more than one child at Bellenden, please include all your children's names in the same email.

Please call the school office if you have any questions.

Thank you for your continued support.

Kind regards,
Emma-Jayne Green
