Dear Parent/Carer,

Following advice issued by the Government yesterday Bellenden school will now close on **Thursday the 17th of December at your child's normal time.**

All after school provision will finish on **Wednesday the 16th of December.**

I understand that this short notice will prove difficult for some parents and I share that frustration however this was not a school-based decision.

Schools have been made responsible for ensuring the effective running of contact and trace for their school community in the 6 days following the close of school up until Wednesday the 23rd of December.

Before the end of term, I will share with you a dedicated email address which you can message if anyone in your family should test positive for covid-19.

This has been a very challenging term and I remain extremely grateful for the support shown by the whole community to each other.

I look forward to being able to share with you all the Christmas performances online at the close of next week and can I take the opportunity to wish you and your loved ones a happy, calm and safe festive period.

Kind regards,

Gregory Doey
Executive Headteacher
