Dear Parents/Carers,

Sadly, Miss Davis is not well at the moment but will hopefully be better very soon. I am sure you join us in wishing her a speedy recovery.

Miss Davis has set the work for the rest of this week. Miss Horton and I will be holding the google meets until Miss Davis is able to return to work. The work will also be checked and feedback provided by either Miss Horton, Mrs Turnbull or myself.

If Miss Davis is still not well next week, then Miss Jones (who is the Y2 teacher at Pilgrims' Way) will be setting the work. She is a very experienced Year 2 teacher and this means that we are still able to provide high quality Year 2 work whilst Miss Davis is absent. However, this may mean that the slides and the content are a little different whilst Miss Davis is away.

If you have any queries about this, please do not hesitate to contact me. Miss Horton will also be checking the Y2 class emails.

Yours Sincerely

Julie Ireland
