Dear Parents/Carers,

Extended Government funding for food vouchers during the school closure period:

Thursday 1st April to Friday 16th April 2021

With the Easter holidays getting closer and the impact of the pandemic and second lockdown leading to more and more families facing hardship, Southwark Council are continuing to offer food vouchers to all parents who wish to take up the offer.

Southwark Council are committed to supporting all pupils in line with the council's FHSNM pledge and will be using the Winter Grant funding to provide meals to all families who make a request.

We understand that some families will say that they do not want or need the support over the holiday period, so we are asking parents of Bellenden primary or nursery children to email office@bellenden.southwark.sch.uk, if you would like to receive a food voucher to cover the Easter holiday period.

Each voucher will be credited with £3.00 per day - £36.00 in total for the 12 days Easter holiday period, which includes bank holidays.

If you would like to take up this offer, please email your details to the office email address by **Wednesday 24th March 2021**. Please use FHSNM VOUCHER in the email subject heading and include the following information:

Name of child:

Class:

Name of parent requesting the offer:

Email address:

If you have more than one child, please include all your children's names in the same email.

Please call the school office if you have any questions.

Kind regards,

Emma-Jayne Green
